

COOL WOODS

SOUTH AUSTRALIA PINOT GRIS

2017

WINEMAKERS NOTE

Mid straw with slight copper tones. Fresh cut pear and zesty lemon feature on the nose. A generous style with great fruit presence and a clean, crisp finish.

VINTAGE

An above average wet spring and cooler than average summer temperatures led to a later start to picking than normal. This combined with a long and mild ripening period meant that our fruit developed to a beautiful level of maturity on the vine. This has led to outstanding flavours and elegant, expressive wines.

WINEMAKING

Crushed, de-stemmed and then pressed using a membrane press. Pressings were not used and ferment commenced using French yeast at 12-15 degrees celcius. The ferment was kept slow and cool to retain all the natural varietal flavours and aromatic qualities. The wine was racked, filtered and then bottled soon afterwards so the wine was a true expression of the grape/terroir from which it was made.
